Corps of Engineers dedicates new hike and bike trail at Waco Lake

Get back in touch with nature while enjoying a walk, a run or a bike ride at Waco Lake's new Hike and Bike Trail.

The U. S. Army Corps of Engineers, in cooperation with the City of Waco Parks and Recreation Department, is pleased to announce the grand opening of the new trail on Saturday, Sept. 23, beginning at 8:00 a.m. The public is invited to be among the first to bike, walk or run on the new trail and discover everything this new recreational opportunity has to offer.

The 2.8 mile day-use trail winds past Waco Lake's tainter gates, outlet works and spillway channel, with scenic overlooks and unique views never before accessible to the public.

Come and bring the whole family, Saturday, Sept. 23, to the entrance of the H.O.T. Soccer Complex on Airport Road. Join Congressman Chet Edwards, Mayor Ethridge and members of the Lone Star Running Society in showcasing the new Waco Lake Hike and Bike Trail. Everyone in attendance will receive souvenirs with a specially designed logo commemorating opening day.

For more information, call the U.S. Army Corps of Engineers at 756-5359 or the City of Waco Parks and Recreation Department at 756-5980.
